ACACIA CLUB WILL PROMOTE NOVEL PLAN TO AID CHURCH PAYMENT OF BUILDING DEBT

Idea Was Originated by Rev. H. W. Brooke, Pastor of Albany Community M. E. Church; Will Bring Wide Fame to City and Citizens of Albany

A stream of silver flowing around the world with the City of Albany its destination, and the paying off of the mortgage on the Albany Community M. E. Church, its mission, is the stupendous project about to be undertaken by the Acacia Club, according to Carl H. Nieper, president.

"One of the most interesting experiments ever to be undertaken and one which will bring unlimited publicity to Albany," declared Rev. H. Brooke, originator of the idea, which he said was inspired by the fact that this is the silver anniversary of the church as well as his twenty-fifth anniversary in the ministry.

DETAILS OF PLAN

The details of this undertaking, which have been completely worked out are this: a silver quarter for each inch will soon start paying the way to the emancipation of the church. At present, according to Rev. Brooke, the job is to "prime the well," or spread the news of the campaign.

To take a concrete example: Rev. Brooke presided at the wedding of a prominent motion picture actress, so it is expected when she learns of the worthy work, she will probably send her congratulations accompanied by a silver offering. Next, all members of the church, as well as its well-wishers are urged to write friends in every city in the state. Secondly, every state in the union will be solicited. Then, according to its promoter, "The world enters into the picture." And finally, "Religion will not let us down." This statement will be borne out by contributions from every denomination.

FUNDS PAY PRINCIPAL

The Bank of America which holds the first mortgage has granted the church the privilege of applying any funds to the reduction of the principal.

Pamphlets will be printed during the campaign showing the sponsors and keeping the public enlightened on the progress. Special mention will be made of those submitting the largest percentage of mileage, the greatest number of celebrities endorsing the cause and the instigator of the most individual congratulatory messages.

A grand finale of the whole affair will be the burning of the mortgage.

A number of Albany's clubs which have been invited by Nieper to assist in the promotion of the idea had representatives at the Friday meeting. These included the Veterans of Foreign Wars, Albany High Dads Club, both branches of the Maccabees, Marin Dads Club and others.

The next meeting will be held to-night at the church parlor. All persons interested are invited to attend. "It is the biggest movement that Albany has ever undertaken," declared Nieper. "Twenty-five years of service should prove to the community that the least it can do to reciprocate is to wholeheartedly support this drive to relieve the church's indebtedness."

MARIN DADS GET READY FOR PARTY

Children and adults, too, will be the guests of the Marin Dads Club next Saturday night as that group present their annual Halloween party on the school grounds. This was the word sent out by Chairman George Sutton and his committee.

A few of the features of last year's outstandingly successful party will be repeated this year by popular demand, related Sutton in telling of the many grand attractions on this night when the witches, hobgoblins and spooks are out tearing around. Referring to last year's affair, he said that more than 1700 persons had witnessed it.

The event is being given to provide everyone, the youngsters in particular, with an evening of genuine fun under the proper circumstances, the club explained.

One moving picture director adjusts temperature of his stage to aid the actors in emotional scenes; for fight scenes he lowers it to 50 degrees, and for love scenes he raises it to around 80.

CITIZENS BID TO DISCUSSION

Sponsored by a group of public-spirited citizens of Albany, an open forum will be held at the auditorium of the Marin School on next Thursday night, October 29, at 8:15 o'clock. The purpose of the meeting will be to discuss the proposed amendments to be voted upon on November 3.

The proponents and opponents of each measure will be given an opportunity to present their side of the issue, and the electorate should obtain a good deal of information to guide them in their voting. For the amendments on which no particular issue is being stressed, there will be an attorney to explain the principles.

In addition to the discussion, a fine musical program has been arranged. Admission is free.

CONVENE FOR DECISION ON BRIDGE FARES

Hoping to take definite action on the matter, members of the California Toll Bridge Authority met yesterday in Sacramento to consider the rates to be charged for automobiles on the almost-completed San Francisco Bay Bridge.

State highway and bridge engineers and the Department of Public Works recommended a flat charge of 65 cents for pleasure automobiles containing no more than five passengers, including the driver.

Lt. Gov. Charles J. Hatfield, member of the Authority, and the San Francisco Board of Supervisors asked that a flat rate of 50 cents be made for pleasure cars, regardless of the number of passengers.

The 65-cent toll was asked following a survey conducted to determine the expected volume of traffic and the amount of revenue necessary to pay interest on nearly \$70,000,000 in bonds and gradually retire the bonds.

Hatfield, on the other hand, has argued that a 60-cent toll would yield sufficient revenue to finance the bonds because it would induce more traffic and speed the handling of vehicles through the use of a "one coin system."

Members of the Authority are Hatfield, Governor Frank P. Merriam, Public Works Director Earl Lee Kelly, Finance Director Arlin E. Stockburger and Highway Commission Chairman Harry Hopkins.

WOMAN IS BACK AT ALBANY SHOP

Back again and being greeted by her many friends is Mrs. Eva Burns, operator of the Dorothea Lea Library on Solano Avenue. Mrs. Burns left Albany early last month to visit friends in the South and was severely injured in an automobile accident en route.

She was confined in a hospital for two weeks and later stayed at the home of her son, H. H. Davis in Los Angeles. During her convalescence, the library was run by her daughter, Mrs. John Riley.

BUS ACTION BY COUNCIL MONDAY

The Albany City Council must formally approve the present route of the promised bus service in Albany, said Mrs. Beatrice Raymond, before action can be taken by the State Railroad Commission to grant the company permission to commence it. She explained that this approval was merely a part of the necessary routine to secure such permission and that she expected no dissenting opinion from the ideal body. The matter will be taken up at the meeting Monday night.

Enthusiasm is being shown by the many friends of Mayor O. C. Yenne as they conduct a campaign to elect him to the directorship of the East Bay Municipal Utility District.

FRIDAY LOSS PUTS COUGARS DOWN LADDER

By a defeat of 13-12 Friday at the hands of the California School for the Deaf team, Albany High has dropped from top position in the S. A. C. A. L. and is now tied for third place with that victorious eleven. The game was played on the Berkeley school grounds.

Albany lost its chance to at least earn a tie with the Deaf School because of the lack of an expert place kicker. Unable to convert in this manner, the Cougars resorted to a line play and a pass in futile attempts to add the extra points.

On the third play of the game, Lawrence Basco, left half and the Deaf School's star 440-yard sprinter, made a dash of some 60 yards to score the first touchdown.

SCORE ON FUMBLE

The initial Albany touchdown was made within two minutes of Basco's run and score, when the local team recovered a C. S. D. fumble. A pass by Ray Arnold, left half, to Les Halcomb, right end, put the ball across the goal line. The line buck for the extra point was stopped.

Albany's other score came in the last quarter. A pass from Arnold to Joel Guay, right half, brought the ball to earth on the two-yard line. A dive by Charlie Tscharnar, quarterback, through tackle into the end zone gave the Cougars their second score. Arnold attempted a pass for the extra point but it was broken up.

With but three minutes left in the game, Basco again broke through the Albany line and raced 55 yards for a touchdown.

PASSES AIDED

Arnold, by his passes, earned a total of 111 yards for Coach Kelly Bryan's Cougars, the team making 112 yards on scrimmage plays.

Basco's running gave his team a total of 195 yards gained from scrimmage plays. The Berkeleyans gained but 11 yards on passes.

Albany Cougars today meet the eleven from Pleasanton, playing at the local field. Game starts at 3:30 p. m.

WOMAN FINDS DOG

Somewhere in the city a child is bemoaning the loss of a lively young pet, a male wire-haired terrier with a black and gray face. The dog, however, was found Wednesday by Mrs. R. L. Krambeck of 1042 Evelyn Avenue who is now taking good care of it. She asks that the owner communicate with her.

Both American and Spanish money are used in Puerto Rico, but the American is the official currency.

COUNCIL GIVES OKEH ON NEW GAS STATION

By a unanimous vote of the City Council here Monday night, permission was granted Fred Alexander to construct a service station at the Southwest corner of Ramona and Solano Avenues. The motion, made by Councilman Benjamin Mowday and seconded by Councilman George Batchelder, incorporated the provision that the loading zone for gasoline and other trucks would have to be on Ramona Avenue.

This, as Mowday and Councilman Frank Hays explained, would eliminate a possible danger at this point if fire or other emergency equipment were called to that district and an S. P. train were occupying a part of its double-tracked section there.

An objection to the above permit came from Ed Peterson, service station operator at Pomona and Solano Avenues. Peterson was notified by the Council that it had no authority to refuse such an application if the completed building complies with the city building regulations.

TO ERECT SIGN

An application received from Leland Bergesen Post, Veterans of Foreign Wars, to erect a sign on San Pablo Avenue, presumably at Portland Avenue, to direct persons to the Veterans Memorial Building, was referred to the city engineer. The latter official was ordered to get in touch with the organization to determine the nature and size of the sign.

Gerald Essex of 1498 Sonoma Avenue was notified that he could proceed to do his own wiring at that address providing he paid the regular fees and conformed with the electrical regulations.

ALBANY FIRM PLACES HOOP TEAM IN RACE

The best basketball team ever to come out of the city of Albany is expected to make its appearance shortly, sporting the brilliant colors of Murphy Chevrolet Company of Albany.

Many well known players of the East Bay as well as from college circles, will grace the Chevrolet's lineup. "Edge" Farnsworth, mainstay of the University of Nevada several years ago; "Chizlie" Frisvold, College of the Pacific freshman star, and Fred Winkench, one of the leading scorers of the Oakland Industrial League for the past several seasons, will hold down the forward berths.

Andy Anderson and Vin Lawlor, six-foot-four giants, will take care of the center court. Both players have been playing ball with the fastest outfits in Oakland and their addition will bolster the club considerably.

The guard positions will be taken by Ray and Bill Winkench, members of last season's A. A. A. who won the championship of the Albany Recreation Department's basketball league. Frank Cayling, Berkeley High guard and Max Stafford ex-Marlin Junior College player, will also be in there keeping the opposition away from the locals' hoop.

Bill Winkench, manager, promises to knock the eyes out of local sport followers with the "Irish" suits. Green moleskin sweatshirts with gold shoulder pads and green sweat pants with a wide gold stripe down the sides will be the color scheme of the outer garments. A gold jersey and green pants with gold trimmings, will be the arrangement of the playing suits.

Out of town games are being arranged with Mariposa Athletic Club of Yosemite Valley, the Native Sons of Calistoga and several other fast teams for later on in the year.

MAT FANS TO SEE BOUT FOR TITLE TONIGHT

Champion vs. ex-champion. This is the dish on tap for heavy-weight wrestling fans at the Oakland Auditorium Friday.

Dean Detton, undisputed champ of the world, meets "Dynamite" Gus Sonnenberg, former champion, in a two-hour time limit match that may see the new champ's crown depart from his head.

The bout is a natural and the Oakland promoters stole a march on brother promoters when they signed the pair. Before Detton won the title he met and battled Sonnenberg to a terrific two-hour draw in the auditorium. Since that time Dean went undefeated through a Philadelphia elimination tournament and then dumped Dave Levin to gain the recognition of all boxing commissions. Detton's best holds are a toe hold and airplane spin. The toe hold is compared to that of the immortal Frank Gotch. The spin is done with speed and dizzy power. If those will not work the title holder can always depend on his flying tackle.

"Dynamite" is confident that he can stop the spin and toe hold but laughs when he hears about the famous Detton flying tackle. It was Sonnenberg who introduced the tactic to the ring and he picked it up at Dartmouth where he was an All-American tackle.

From pre-ringside dope the contest may boil down to the battle of flying tackles and the betting is all even on the outcome.

It looms to be the fastest title match ever signed for the Oakland ring.

Prelims on the card will include Vic Christy, the amazing Sunland grappler, meeting Jack McArthur from Ireland. Christy is one of the greatest scientific boys in the sport today while McArthur is wild once turned loose.

COP BEAMS AS STORK VISITS

One of Albany's policemen, Officer John Viarengo, is passing out cigars this week and beaming upon everyone he meets. Rumor has it that even speeders and other law violators are being treated to the smile as they are arrested!

The reason is Mary Frances Viarengo, born to Mrs. Viarengo last Friday morning at Alta Bates Hospital in Berkeley. The little visitor weighed seven pounds, 10 and one-half ounces at birth, boasts the new father. And mother and daughter are doing fine and will soon be greeting their friends at the family home, 832 Madison Street.

This is the couple's first child. The mother is the daughter of Mr. and Mrs. A. G. Edmonds of 868 Peralta Avenue. She is a sister of Mrs. Don Chapman, wife of the fireman here.

LODGE PLANS OPPORTUNITIES FOR AMATEURS

Maccabees, Aided by Theatre, Will Stage Series of Amateur Nights

"A chance for Albany amateurs to show their ability and perhaps secure lucrative theatrical contracts!" Thus J. P. Williams, chairman, explained the series of "amateur nights" to be given by the Albany Tent of Maccabees, No. 124, in conjunction with the Albany Theatre.

The nights will commence November 6, he said, and will be held each Friday for five weeks. On Friday, December 4, the 10 winners, two from each night, will compete on the stage of the local theater for the grand prizes. Agents from a number of East Bay theatrical agencies will be present at that time, he promised, and may select some of the acts for professional appearances.

ALBANY ENTRANTS ONLY

The contest will be open only to entries from this city, the chairman declared. No age limit has been set, nor has any type of entertainment number been barred from the list. Each act should run from three to five minutes. Each performance at the theater will run for at least a half hour.

Entrants must file their applications with Williams at his place of business, 1150 Solano Avenue, and will be notified at what time they shall appear.

All winners will be chosen by the applause of the audience, including those in the finals of this big contest. Williams will act as master of ceremonies.

WEEKLY PRIZES

Weekly prizes for the acts or numbers selected as the best of those offered, will be given by the Albany Theatre, states Neil Crowley, manager. These will be valuable awards and will in no way affect the entrant's chances for the grand prize on the night of the finals.

On Friday, December 4, at which time the 10 successful ambitious amateur numbers will appear for the final contest and awards, the Maccabees will hold a theater party. Tickets for this show are now on sale by the members of the lodge.

The entire enterprise, according to its sponsors, is being staged to give the city a chance to see the many talented persons living here. If you would like a chance to appear on the stage and possess some entertainment talent, sign up immediately.

During the meeting a recess was voted to allow Vincent Hanahan, T. J. O'Brien and R. McGeorge the opportunity to tell of the splendid progress being made on the formation of a troop of Sea Scouts. The Post has announced its intention to sponsor the troop.

EX-MAYOR SEEKS ANIMAL EXPERT

Frank J. Roberts, Sr., of 1111 Curtis Street, first mayor of Albany, is somewhat perplexed this week as he surveys a beautiful hide which he just received from Finland. The hide was a gift of relatives of Mrs. Roberts, who returned last Monday from a trip to Finland. Mrs. Roberts left that country on September 26 on the S. S. Kungsholm and had been visiting a sister, Mrs. Helen Kohl of Minneapolis before returning to Albany.

Mrs. Henry Filkins, sister of the man who served three terms as mayor of Albany, recently returned to her home in Albany, N. Y., after which place this city was originally named.

PARENT GROUP HOLDS REVUE, WHIST PARTY

With seating capacity taxed to the limit and nearly 90 tables reserved for bridge and whist, the combination fashion revue and card party recently sponsored by the Marin Parent-Teacher Association by popular consensus of opinion was declared to have been an overwhelming success.

Miss Dorothy Wise, stylist from J. F. Hink & Sons whose cooperation made the revue possible, was introduced by Mrs. Axel Severine, president of the Marin P.T.A.

In addition to the displaying of "the latest thing" in knit wear, evening gowns and suits, sister and brother and juvenile apparel were modeled by kindergarten and children of the first grade including Jean Brownell, Tommy Hanson, Vernadine Patrick, Richard Snett, Shirley Gilbert, Dorothy Cuthbertson, Stella Ruth Severine, Buddy Meads, John Strombeck and Bill Young.

BOY SINGS NUMBERS

Buddy Meads also rendered two vocal selections accompanied by Mrs. Pauline Cruikshank, pianist.

Door prizes amounting to fifty dollars donated by J. F. Hink and Son were won by the following: Mesdames E. R. Hill, H. R. Roney, F. G. Devlin, A. J. Vargas, T. R. Arthur, H. Piper, Dorothy Walter, C. F. Coombs, J. D. Raymond, George Harris and R. J. Estes.

Mrs. F. V. Foye, chairman of arrangements was assisted by Mesdames Orrin Gibson, William E. DePuy, George C. Sutton, E. L. Stine and H. P. Bolton. Mrs. G. T. Anthony was in charge of candy sales and Mrs. F. R. Bertz assisted the ticket chairman.

PROFESSOR SPEAKS

Another interesting event of recent date was the speech delivered by Earle G. Linsley, professor of geography and astronomy at Mills College. His topic covered the amendments of the coming election

Why You Should Vote "NO" on Amendment No. 3

IT LEGALIZES the sale of beer to children by classifying all beverages containing less than 3.2% alcohol as "non-intoxicating."

It turns complete control of the liquor traffic over to a politically appointed commission.

It takes the teeth out of the laws against drunken automobile drivers and handicaps the courts in punishing them.

It takes from private citizens their individual right to protest against liquor establishments that should be closed.

If Amendment No. 3 is adopted not one of the above, or any other of its provisions, may be changed without securing the signatures of 200,000 citizens to a petition and holding a state election.

READ THE AMENDMENT CAREFULLY... CHECK THE ABOVE "HIDDEN JOCKERS" AND YOU WILL UNDERSTAND WHY IT IS CALLED ONE OF THE MOST "VICIOUS AND DANGEROUS AMENDMENTS EVER SUBMITTED IN THE HISTORY OF THE STATE."

Amendment No. 3**

SEEKS DANCE HALL JOB

Jeanette MacDonald gives the hard-boiled owner of the Paradise Cafe a sample of her ability to entertain his patrons in this scene from the Metro-Goldwyn-Mayer musical dramatic hit, "San Francisco," which will be shown for three days only, Saturday, Sunday and Monday, at the Albany Theatre.

Lucky is the star who has more than two men to shower their attentions on her—the hero and the villain.

Therefore, Jeanette MacDonald is that lucky star, for in her latest Metro-Goldwyn-Mayer picture, "San Francisco," playing tomorrow, Sunday and Monday, at the Albany Theatre, she enjoys the friendship of three admirers.

They are: Clark Gable, as the resort owner with faith in nothing but gold and beautiful women; Spencer Tracy, usually known as a hard-

boiled screen type, playing the most unusual part of his career, a priest; Jack Holt, the wealthy Nob Hill aristocrat who makes it possible for Miss MacDonald to win a career in opera.

On the same program is Charles Ruggles in "Early to Bed."

Now showing for the last times today are "Under Two Flags," with Ronald Colman and Claudette Colbert and "Border Flight," starring Roscoe Karns and Frances Farmer. Today's program also includes a new release of "March of Time."

APPRECIATION

E. M. Wilson, Editor, The Albany Times, Albany, Calif.

Dear Sir:

In behalf of the Cornell Parent-Teacher Association, I wish to express our appreciation for the splendid cooperation which we received in staging the production, "The Gay Nineties." The success of the production was the direct result of the time and effort which was given us by those who made up the cast, the organizations of Albany, the newspapers, and the people who purchased tickets.

Sincerely,
Thelma Willard Kane,
Publicity Chairman.

GRIDIRON
GLIMPSSES

Although having their perfect record marred by a 0-0 tie with the San Francisco Dons, the St. Mary's Galloping Gaels will take the field Saturday in New York City in the favored position against the Fordham Rams.

The upset received in Sunday's tilt with the Hilltoppers should bring out a fighting Gael eleven to face the undefeated Easterners.

"Les" Groux suffered several bruised ribs in Sunday's clash but is expected to be ready for action Saturday.

Harry Aronson, who played spectacular ball in the spot vacated by the injured Floyd Maxham, will probably be the Moragan mentor's selection to start in the crashing role.

If Jerry Dennerlein continues to play the same brand of ball against the Rams that has marked his outstanding play all season he is a cinch to become the outstanding candidate for an all-American berth.

Although the Saints will be favorites to win, the New Yorkers will be far from the push-over that many believe them.

The Rams lost only two players from last year's squad that held the Moragans to a 7-7 tie. They have won every tilt so far this season, including a well-earned victory over Southern Methodists.

NO, THIS ISN'T THE GAY 90'S!

This is Albany's fire department in 1910. Left row, front to rear, are F. E. Humphrey, J. Young, A. Anderson, Joseph Waxell, A. Wenzel, Ed Cushing, George Nickerson, Otto Bergen and A. L. Lindquist. Right row, front to rear, Jack McCourtney, J. Dahlberg, Richard White, C. M. Hinton and Mayor Frank Roberts. Seated, W. Diehl and J. Donaldson. At right, Thomas McCourtney, chief and organizer, and George W. Browne, assistant chief.

CANDIDACY OF
FISHER AIDED
BY CLUB HERE

Seeking the election of Charles W. Fisher, Republican candidate for Congress from the seventh district, a number of his Albany supporters have recently organized a Fisher-for-Congress Club, word from the headquarters at 856 San Pablo Avenue reveals.

Fisher, a son of the late P. M. Fisher, veteran educator of Oakland, is a graduate of the University of California, Hastings College of Law, and has been a member of the State Legislature from the 18th district for the past five years. He has served as chairman of the assembly committee on social service and welfare and is the author of major social welfare legislation in this state. He was the author of the State bill abolishing the Fish Exchange, saving thousands of dollars a year, and has been co-author of more than 100 economy measures.

Fisher saw service overseas during the World War. He has also been a member of the Oakland Library Board for the past nine years.

Local people actively engaged in supporting his candidacy are Dr. Jane T. Paxson, Bert Jordan, George Lenefster, R. S. Turner, S. C. Cassidy, W. D. Coleman, O. W. Phillips, Lewis E. Best, L. F. MacDonald, C. Fred Whitmore, C. E. Morris, J. B. Nickerson, G. M. Bateman, Robert E. Bergman, B. W. Mowday, Dr. Pierre W. Marquess, LeRoy Williams, E. M. Litsinger, D. C. Atwater, C. R. Turner and Mrs. Harold L. Burlingame.

half to have a touchdown drift through.

Santa Clara is resting this week in preparation for the invading Auburn eleven a week from Saturday in Kezar Stadium. This game will be interesting from the point of attendance as the Bears play the Washington Cougars at Berkeley on the same day. It is an "Independent" attraction versus a Conference game.

The Broncos should outdraw the Bears by at least 10,000. Both Santa Clara and Auburn have undefeated records, while the Bears have been whipped twice.

As a result of their dismal showing against the UClans, the Golden Bears will occupy the underdog spot when they clash with the Washington Huskies tomorrow afternoon in Seattle.

With one setback gracing their ledger, the Berkeleyans will have to gain the verdict to remain in the conference running.

Herman Versell of Albany recently returned from a 10-day visit to the home of his mother, Mrs. G. C. Cuddeback of Humboldt, California.

Several changes will be made in the Bear lineup. Dave De Varona, sophomore tackle will start in this spot. His scintillating play in the Bruin tilt boosted his stock considerably and marks him as a coming regular.

By comparative scores, the Huskies are several touchdowns better than the Bears. The Northerners walloped the UClans 14-0 and trampled the Oregon States 19-7. "Stub" Allison's stalwarts were gaudied by the Bruins and nosed out the Oregonians.

Comparative scores mean little, however, and should the Bears play the ball that they are capable of, they stand an excellent chance of topping Jimmy Phelan's boys. Opinion is that the Huskies will win the battle. Gaining consistently in the second half, they will chalk up their touchdowns.

Tentative plans for a sportsmen's exhibit to be held next spring at the Veterans Memorial Building, were revealed at the meeting last Friday night of the San Pablo Avenue Sportsmen's Club. This will be similar to the show and exhibition held recently in Oakland which proved so successful.

More than 90 persons were present at this latest meeting of the active organization. Harvey Skee, president of the club, was in charge of the meeting which was enlivened by a number of entertainment features provided by Donald Moore of El Cerrito and Vincent Hanahan of this city. Refreshments were served at the close of the session.

BECAUSE GAELS BEAT BEARS

It made Ed Ryken, left, quite happy when St. Marys beat U. C.; one of the main reasons being that Lloyd Jester, right, in the nursery attire, had to taxi him about the city as the result of a wager the two men had made on the game.

Miss Charlotte MacGregor was chosen Monday night to head the relief committee to take care of the needy families of Albany, following the Women's Breakfast Club's colorful charity ball on December 12. She was chosen at a meeting of the committee-in-charge, held at Scheik's.

Among the many features now decided upon by the committee, in charge of Dr. Jane Paxson, is that each organization in Albany shall be asked to operate a concession at the Memorial Building on that night. These will range in variety and will supply a gala touch to the occasion. Music by a well known orchestra will be supplied for the gaily costumed dancers during the evening. Scheduled to become an annual event in this city, this ball should prove one of the most elaborate affairs ever held here. Many valuable prizes will be awarded the winners of the most beautiful, the most original and other classifications of costumes.

A delicious buffet supper will also be available. This will be prepared by a committee yet to be named and will undoubtedly prove popular with everyone.

Although the event is being sponsored by the Women's Club, everyone in Albany must cooperate to make it a huge success. The proceeds will provide a fund which will insure that every person in the city will be taken care of. There will be no need for outside assistance in this worthwhile work if the citizens of Albany make up their minds that "Albany can take care of its own."

DREAMS OF ACCORDIONIST AND BARITONE COME TRUE

A young star of community opera, son of a city fireman, and an accordionist whose fingers learned to fly in keeping up with those of a talented older cousin, today are well on their way toward the realization of their fondest dreams. Frank Tavaglione, the community opera favorite whose home is in Riverside, and Ernest Gloe, the accordionist, who lives in San Francisco, have been declared winners in the first semi-finals recently concluded in the state-wide tournament conducted by the "California Hour" radio program.

They are the two survivors, as chosen by votes of California listeners, from among eight semi-finalists, who previously had won preliminary contests which established them as the representative artists from their own communities.

Tavaglione and Gloe will now await the finals which will be held several months from now and in which the winners of the two more semi-final broadcasts will also be entered.

Both winners are twenty years old, and each has hopes of a musical career. Tavaglione is a favorite of his home community, having sung in various civic and school productions. Gloe began playing the accordion when he was twelve, in friendly rivalry with an older relative also an accordionist.

To arrive where they are now in the state-wide tournament, Tavaglione and Gloe have won through

these successive steps: First they had an audition, among scores of others to their own communities. From among all the applicants heard, each was selected as one of ten, to be heard in public addition. A committee of their fellow citizens chose six of the ten to appear on the Columbia-Don Lee program, which is broadcast every Monday evening from 8 to 10.

People all over the State, in voting their choices from among the six on the program, selected Tavaglione on the Riverside broadcast and Gloe on the San Francisco program, for which each of the two won \$50 in cash and a return trip to Los Angeles for the semi-finals.

Then, for winning in the latter event, each was awarded \$100 in cash, and received a chance to make still a third trip to Los Angeles to compete for the grand prize of \$500. Besides the \$100, they received a week's engagement at the Coconut Grove at Los Angeles Ambassador Hotel.

Thus the final winner, when the series is completed, will have made three trips to Los Angeles, with traveling and other expenses paid, and will have been awarded a total of \$650 in cash besides. Tavaglione sang the Credo from "Othello", and Gloe played "Flight of the Bumble Bee".

Featured stars of "California's Hour" are Jane Froman, singer and Conrad Nagel, noted actor who is master of ceremonies.

NEWS OF LELAND BERGENSEN AUXILIARY

Next Tuesday night, October 27, sued by Leland Bergensen Post No. 100 of Foreign Wars, will hold its regular business meeting at the Veterans Memorial Building. Nomination and election of officers for the current term will take place at this time, with the installation to be held in November.

At the last regular meeting, Mabel Davis, assistant staff officer, was present and made her official inspection of the Auxiliary. Preceding the business meeting, members enjoyed their annual "Poppy Dinner." This dinner was prepared by the captain of the defeated team in the poppy sale conducted by the group. Sister Thomas was assisted by her committee, Sisters Reid, Wolgast, Whitford, Krambeck, Johnson and Kroeger in the preparation of the meal.

About 45 members were present to enjoy the delicious repast. Gifts and a rising vote of thanks were given to Sister Thomas for the dinner and to Sister Blair, captain of the team that sold the most poppies.

MODERN SLAVES (Continued)

By BEATRICE L. WILLIAMS
We need another Lincoln,
We slaves who long to be free,
We live in this great republic
That stretches from sea to sea.

We're up with the first rays of sunlight;

We leap, with our hats in our hands,
Like a doe at a shot in the woodland,

"All Aboard" is our royal command.

We scurry like hunted rabbits,
We sit on the edge of our seats;
We read—so we say—it's a habit,
Then we make a mad dash for the streets.

All breathless, we reach the office;
We hope that the BOSS is okay.
We type, or we file, or we answer
the phone—
BUT—we pray for the end of the day.

ALBANY POST

NO. 292

Final arrangements for the Post's third annual Armistice Day dinner-dance have been completed, and all is in readiness for the big evening on Tuesday, November 10. Walker Lyon, heading the committee, states that a number of reservations from outside of Albany have been applied for, but that he is holding these in order to give local persons first choice. He asks that Albany Legionnaires who expect to attend get their reservations now. He may be contacted at the S. P. Corner Store, Solano and San Pablo Avenues.

The 100 tickets the Post was going to reserve for the Armistice Day football game and spectacle have been turned over to the Auxiliary, who will make an extensive campaign to sell them. These tickets are for seats on the 50-yard line and may be obtained at a number of local merchants. Each member of the Auxiliary is also acting as a saleswoman for the event, the success of which will determine if the Army-Navy game will be revived in Berkeley next year.

Carl Nystrom, commander of the 10th District, and Ben Moyers, first vice-commander, honored the Post by attending the last regular meeting. Both men congratulated the Post for its fine work in carrying out the Legion program.

On next Friday evening, October 30, members and their ladies will be the guests of Albert Markstein Sr. Those who can attend are asked to meet at the Memorial Building at 7:45 p. m. Transportation will be available for all.

L. A. Bench, now a member of the Post and a former pitcher in the Coast League, has volunteered to coach the Post's junior baseball team when the Legion series begins.

"Old Baldy Blowout" Captured!

Goodrich dealers throughout Northern California, competing in the annual national Goodrich "Round-up" are out after such highway safety menaces as "Old Baldy Blowout," "Sure Death Casing," etc. etc. Here Miss Alma Sinich has roped "Old Baldy Blowout," whose tire as bald as his head, has taken him into the Goodrich store where his worn tires will be replaced with a set of new and safe Goodrich Silvertowns.

THE Goodrich boys are at it again—rounding up unsafe tires, helping make the streets and highways safer by replacing as much smooth rubber with new tires as possible. Goodrich, since the beginning of the tire industry a leader in safety measures, is again staging its annual "Round-Up," an inter-organizational contest with horse-play and prizes to make the game interesting. And the Goodrich dealer here, as an aftermath of the recent Good-

rich "War" on unsafe tires, is out to "Round-Up" all that is left of smooth and unsafe rubber. The local Goodrich dealer has been given orders to his men to be on the look-out for such dangerous highway characters as "Old Baldy Blowout," "Slim Chance," "Sure Death Casing," "Shorty Mileage," and "Kiddin' Yourself" and to rope and bring in these "desperadoes" for a new set of Goodrich Silvertowns.

Also, the above mentioned highway menaces will be asked to sign the Silvertown Safety League pledge, which has been signed by over two million motorists throughout the country. There's no horse-play about the Silvertown Safety League, however. Each member is given an emblem to affix to the rear of the car, which is in the form of a reflector and functions effectively in case of stop light failure.
